602 罗斯拥抱瑞秋

罗斯仍未去办理取消婚约的手续：：他有点抓狂。接连三次离婚使他濒临崩溃。

菲比及她的女性本能确信罗斯仍深爱瑞秋。

罗斯否认，为表明立场，他去找律师 Russell 撤消婚约：：手续比预想的复杂得多，他想告诉瑞秋事情没办成。

钱德和莫妮卡向乔伊宣布将同居，乔伊为两人开心，但为即将失去钱德而伤感；

接着两人向瑞秋宣布这个消息，瑞秋毫无反应——原来她没当真。

瑞秋很失望，罗斯至今没把真相告诉她。

菲比预言六人的姻缘。

6.02 The One Where Ross Hugs Rachel

Ross hasn't gotten the annulment yet... but he has gotten a little crazy.

It seems the idea of a 3rd failed marriage has pushed him over the deep end(n. 深渊 困境).

Phoebe (and her panel of women) decide(v.判决 裁定) Ross is still in love with Rachel.

Ross is in such denial about this that to prove them wrong he goes to his lawyer (Russell) to take care of the annulment... but finds that it's more complicated than expected, and Rachel will have to be told the truth.

Chandler and Monica break the news(v.把坏消息委婉地告诉某人) of their live-in plans, first with Joey (who is happy for them, but sad to be losing Chandler) and then to Rachel (who doesn't seem to have much of a reaction at all... until she takes it seriously).

Rachel is so sad that Ross still can't tell her the truth.

Phoebe foretells the future marriages of the entire group.

[Scene: Central Perk, it's the same scene from the end of last week's show. Phoebe and Rachel are sitting on the couch as Ross enters.]

Ross: Hey!

Rachel: Hey, so **did everything go okay with** the annulment?

Ross: Oh, yeah, no problems. **It's all taken care of.**

Rachel: Ross, thank you. Hey, do you guys wanna go see a movie?

Ross: Oh yeah, why not?

Rachel: Okay, umm, I'm gonna get my sweater. (Walks away.)

sweater n. 外套

Ross: Okay. (Sits down next to Phoebe.) You uh, you wanna hear something weird?

Phoebe: Always.

Ross: I didn't get the annulment.

Phoebe: What?!

Ross: We're still married! Don't tell Rachel. See you later. (He gets up leaving Phoebe in shock.)

[Cut to outside Central Perk.]

Ross: (To Rachel) Hey, do you have any gum?

Rachel: Oh? Yeah! Sure!

Phoebe: (running out) Wait! Wait! Hi! Listen, **Ross can I just talk to you for just a second?**

Rachel: Oh but Phoebe, we're gonna be late for the movie.

(A cab pulls up.)

Phoebe: Oh, there's a cab! Taxi!! (The cab stops and she opens the door.) Good timing, my God, huh? Here you go. (Pushes Rachel in and closes the door.)

good timing <口>来得可真是时候

Rachel: Yeah, we're, we're actually just gonna walk —cause it's right up there at the Angelica.

Phoebe: Oh, the Angelica!! Go! Go! (She bangs on the cab's roof and it pulls away.) (To Ross) You didn't get the annulment?!!

Ross: I know.

Phoebe: Ross?!

Ross: Well, I tried! But when I got to my lawyer's office all I could hear was, "Three divorces. Three divorces!" Yes, in that high voice. Look, I just don't want my tombstone to read, Ross Gellar, Three Divorces.

tombstone n. 墓碑 墓石

Phoebe: Don't be worried about that! Your tombstone can say whatever you want it to say! It could say, Ross Gellar, Good at Marriage! Y'know? Mine's gonna say Phoebe Buffay, Buried Alive.

Ross: Look, all I know is I-I can't have another failed marriage!

Phoebe: So okay what? You're gonna be married to a girl who doesn't even know about it?! | Op, ~~woman~~! Sorry.

Ross: Well, okay so, I don't have it all worked out quite yet. Just don't say anything to Rachel, please?

Phoebe: Rachel is one of my closest friends. (Pause) Although, being the only one who knows anything about this does makes me feel special. Okay!

(Rachel's cab backs up.)

[Scene: Central Perk, Phoebe is on the couch as Monica enters.]

Ross: Hey Pheebs!

Phoebe: Hey! Oh, look, here's an article about people who marry people and don't tell them.

Ross: Really?

Phoebe: Yeah, I'm reading Ross Geller Magazine.

Phoebe: No, why?

Monica: I have some pretty exciting news!

Phoebe: (gasps) You're pregnant!

Monica: No! Chandler and I are moving in together!

Phoebe: Ooh! That's good! Wow! But now if you were pregnant, what would you name it? Hint: Phoebe.

(Ross returns from getting some coffee.)

Ross: Oh yeah? Have you ever dated anyone who has been divorced three times?

Phoebe: that's not really fair. You know? Most guys who have been divorced three times are like 60. You're young

Ross: That's true, I am young.

Phoebe: Well....Ross, nobody cares about this except you! This-this embarrassment thing **is all in your head** 全是你想出来的! Here, I'll show you! Come here.

Ross: What?! Why?

(She grabs his arm and drags him over to a table where three beautiful women are sitting. Now, I'm going to **go out on a limb** and say that their names are Stephanie, Karin, and Meg. Okay, so I looked at the credits. Of course, only Meg is named later on, so I'll have to guess who is Stephanie and who is Karin. But, we'll **cross that bridge** when we come to it.)

go out on a limb 冒点险[eg: Maybe I'm going out on a limb, but I think we still have to invest it] 一般人想到冒险 '直觉的反应就是 "It's risky" 或是 "It's dangerous." 但是口语上老美喜欢说 "I'm going out on a limb." 来表示这件事需要冒险。这个 limb 原意是指树枝 '想象当你爬树时爬到小树枝上去了 '你是不是不知小树枝什么时候会断掉?这种不确定的危机感 '就是为什么老美要用 "Go out on a limb." 来表示冒险的原因了。例如你来到一个清澈的河边 '你很想下去游泳 '但四周又没有救生员 '这时你就可以说 '

"Maybe I'm going out on a limb, but I think I am gonna try it." 再举个例子吧 '有一次室友用了我的刀子但没有给我洗 '可是看上面的渣渣我也知道是谁干的 °后来他自己跑来跟我说, "I know I'm going out on a limb to make it anonymous."

Phoebe: (to the girls) Hi! Hi! Listen, my friend Ross is about to be divorced for the third time, but wouldn't you date him?

Ross: And if you wait right here, I'll go get Ross. (Phoebe grabs his arm and prevents him from escaping.)

[Scene: Monica and Rachel's, Monica is **pacing anxiously waiting for Rachel.**]

Chandler: (entering) Hey!

Monica: Ugh, I thought you were Rachel!

Chandler: (looking down) **What gave me away** 是什么出卖了我?

give away v. 泄露 [eg 'His accent gave him away as a northerner.]

Monica: I just tell her, I have to get it over with. I told Ross and Phoebe and she's the only one left!

Chandler: Okay, so that's it, everybody knows! It's official, we're moving in together. No turning back. Are ya scared? Are ya?

Monica: No.

Chandler: Wow that was my scariest voice! You're very brave.

(They hug as Rachel enters.)

Rachel: Hey!

Chandler: Hey.

Rachel: Ugh, **the worse day!** Y-know, you think you're finally **making progress at** work and then your boss calls you Raquel.

Chandler: Hey listen, for the first four years of my work everybody called me Sha-la-lap. (Awkward silence ensues.) Seriously.

Rachel: I believe you. So, it was right in the middle of a staff meeting so of course no one else wants to correct her so everyone else is calling me Raquel! By the end of the day, the mailroom guys were calling me Rocky!

mailroom(A room in which ingoing and outgoing mail is handled for a company or other organization.)

Rocky is a 1976 film written by and starring Sylvester Stallone and directed by John G. Avildsen. It tells the rags-to-riches American Dream story of Rocky Balboa, an uneducated but good-hearted debt collector(n.收债人) for a loan shark(<口>放高利贷者) in Philadelphia. Balboa is also an amateur boxer who gets a shot at the world heavyweight(n.最重量级别拳击手) championship when the scheduled contender(n.竞争者) breaks his hand. Also starring in Rocky are Talia Shire as Adrian, Burt Young as Adrian's brother Paulie, Burgess Meredith as Mickey Goldmill, Rocky's trainer and Carl Weathers as the champion, Apollo Creed. The film, made for only US\$1.2 million, and shot relatively fast in 28 days, was a sleeper hit[A sleeper hit (often simply called a "sleeper") refers to a film, book, album, TV show, or video game that gains unexpected success or recognition. The term is most commonly used in reference to feature films]; it made over US\$117.2 million, won three Oscars, including Best Picture, and garnered(v.获得) mostly positive reviews which helped to launch Stallone's career. The film spawned five sequels: Rocky II, III, IV, V and Rocky Balboa.

Chandler: Well, I-I still think you're very-very nice and very pretty :

Chandler: (To Monica) All yours babe. (Walks away.)

Monica: Have a seat. (They sit at the table.) Okay, listen umm, Chandler and I are going to live together, here.

Rachel: Oh my God! That's so great! I'm so happy for you guys!

Monica: Really?!

Rachel: And that was so sweet of you to ask! Oh my God, the three of us are gonna have such a good time living together!

Monica: Yes, we are. (Chandler is frantically trying to get Monica to correct her.)

Rachel: And Chandler, you're gonna have to watch those long showers you take in the morning because you know Raquel can't be late.

Ross: It's not that. Okay? Annulments are more complicated than I :

Phoebe: Yeah, complicated—cause of the love.

Ross: I : I do, I do not love Rachel. I'm gonna tell her right now about the whole thing so we can get this marriage annulled as fast as possible. Okay? Would I do that if I loved her?
