615 假想篇外篇（上集）

巴利和明蒂离婚的消息使大家大为震惊，如果时光倒转，大家都选择不同的生活道路：

瑞秋嫁给了巴利，罗斯的太太卡萝没有意识到她是个女同志；如果莫妮卡仍是「千斤小姐」；而乔伊仍是《光辉岁月》中的大明星；如果钱德辞去他同数据打交道的工作而开始写作；如果菲比当上了股票经济：：生活会是怎样？

多年未见的罗斯和瑞秋在街上偶遇，同样婚姻不顺，却要强颜欢笑。

罗斯带瑞秋到中央咖啡馆去看望莫妮卡；

迷恋肥皂剧中瑞摩瑞医生的瑞秋迅速迷上了乔伊。

莫妮卡和超级无聊的罗杰医生走动。

无业的钱德决定当乔伊的助理，但工作不太开心。

给乔伊当助理的经历启发了他，创作了一个 Archie 喜剧。

菲比赚钱成瘾，工作成狂，结果在证券市场上赔掉了 1300 万美金。

她住院时，罗斯接到她老板的电话，得知菲比被解雇，但他顾虑她的健康状况，而没胆子告诉她。

罗斯向卡萝建议说，既然他们长时间没有性生活了，不妨找点新鲜刺激。

卡萝不喜欢罗斯的诸多提议，单单选择了三人行。

瑞秋决定同乔伊一夜情。

莫妮卡仍是处女，被瑞秋发现了。

6.15 The One That Could Have Been, part 1

News that Barry and Mindy are getting divorced gets the gang wondering what their lives would be like if Rachel married Barry;

if Ross's wife Carol hadn't realized she was a lesbian;

if Monica was still fat;

if Joey was still on Days of Our Lives;

if Chandler had quit his data entry job to pursue writing;

and if Phoebe was a stock broker:

Ross and Rachel, both in unhappy marriages, run into each other on the street after not seeing each other for years.

Ross brings Rachel to Central Perk to see Monica;

Rachel quickly swoons(v. 狂喜) over Joey, aka(=also known as) Dr. Drake Ramoray.

Monica is dating the very boring Dr. Roger.

Chandler is unemployed, but takes a job as Joey's assistant, which doesn't work out very well;

but he is inspired by the experience and sells his first story to Archie Comics.

Phoebe is ruthless(adj. 残忍的 无情的) and greedy, and has a heart attack after losing 13 million dollars on the stock market.

While she's in the hospital, Ross finds out she's fired, but he doesn't dare tell her, fearing it will cause another heart attack.

Ross suggests to Carol that they spice up their non-existent sex life.

Carol doesn't like any of his ideas... except having a threesome.

Rachel decides to have a fling with(与：一时地放纵) Joey.

Monica reveals she's still a virgin.

616 假想篇外篇（下集）

假想篇继续：罗斯和卡萝邀苏珊三人行，但罗斯感觉备受冷落。

菲比在医院闲极无聊，溜回公司，发现自己被炒，第二次心脏病爆发。

瑞秋在乔伊家过夜，饮酒过多，犯病呕吐。

莫妮卡决心为罗杰医生奉献第一次，但医生被医院呼走。

钱德和莫妮卡独处，决定来个一夜情。

之后钱德劝莫妮卡甩掉医生，当他的女朋友。

瑞秋庆幸自己因失态而没有背叛巴利，回家时却发现巴利和临家常遛狗的女人滚在床上。

愤怒的瑞秋回头找乔伊，却碰到了罗斯。

婚姻触礁的两人互相安慰，瑞秋帮罗斯分析，说卡萝是个女同志。

菲比回咖啡馆驻唱。

6.16 The One That Could Have Been, part 2

In the continuation(n.继续) of the alternate reality: Ross and Carol have a threesome with Susan, but Ross feels left out.

Phoebe goes stir-crazy(adj.因长期禁闭而发疯的) in the hospital, and sneaks back to work, only to find out she's been fired, and promptly(adv.马上地) has another heart attack.

Rachel spends the evening at Joey's, but gets drunk and sick, and passes out.

Monica decides it's time to have sex with Dr. Roger, but he gets paged and leaves.

Chandler and Monica decide to have a one-night stand(一夜情 一夜演出), but afterwards Chandler convinces her to dump the doctor and be with him.

Rachel, relieved that she didn't cheat on Barry, returns home and find Barry in bed with another woman... their neighbor's dog walker.

She returns to the city to hook back up with Joey, but runs into Ross.

They console each other(v.彼此安慰) on their bad marriages and Rachel helps Ross realize that Carol is a lesbian.

Phoebe goes back to singing at the coffee house.

[Scene: Central Perk, everyone but Rachel is there is there as.]

Monica: It's okay not to talk.

Rachel: (enters) Hey, you guys! Guess what? Barry and Mindy are getting a divorce!

Monica: Oh my God!

Phoebe: Wow!

Joey: (To Ross) **What** is the matter with you?!

Phoebe: No! Barry and Mindy.

Joey: Oh sorry, I hear divorce I immediately go to Ross. (To Rachel) Who-who's Barry and Mindy?

Rachel: Barry was the guy that I was almost married and Mindy was my best friend.

Joey: Ohh-oh, wasn't he cheating on you with her?

Rachel: Yeah, but that just means that he was falling asleep on top of her instead of me.

on top of one another<idiom>Very close to, crowded [eg: I didn't see her until she was right on top of us]

Monica: Why did they get divorced?

Rachel: Well, apparently she caught him cheating on her with someone else. Isn't that sad? (Giggles.) God, could you imagine if I actually married him?! I mean how different would my life be?

Ross: I know what you mean, I've always wondered how different my life would be if-if I'd never gotten divorced.

Phoebe: Which time?

Ross: The first time! No seriously, imagine if Carol hadn't realized she was a lesbian.

Joey: (starts to imagine it) I can't. I keep seeing it the good way
我一直朝好的方面想.

Ross: I'd bet I'd still be doing my kara-tay. (That's karate, he's just saying it that way.) Towards the end of our marriage I was doing a lot of kara-tay as a way of releasing the tension from y-know, not doing anything else physical.

Chandler: Maybe the problem was you were pronouncing it kara-tay.

Monica: And what if I was still fat? (To Chandler) Well, you wouldn't be dating me, that's for sure.

Chandler: Sure I would!

All: (simultaneously) Oh yeah! Come on! Yeah right!

Chandler: What, you guys really think that I'm that shallow?

Ross: No, I just think Monica was that fat.

Joey: Hey, imagine if I never got fired off *Days Of Our Lives*!
(Closes his eyes to do so.) Oh-hey, there's Carol again!

the New Yorker '这一集里展现了老友们可能的另外一种生活轨迹' 钱德勒说 '如果他当初真的有胆量从现在的工作中辞职' 他现在可能成为为《纽约客(New Yorker)》撰稿的名作家了。《纽约客》是美国第一位的文学杂志 '在上面发表一篇文章标志着作者的一个荣耀' 当然 '最早的《纽约客》是不给作者署名的/The New Yorker is an American magazine that publishes reportage(n. 报告文学), criticism, essays, cartoons, poetry and fiction.

Originally a weekly(n. 周刊), the magazine is now published 47 times per year with five (usually more expansive) issues covering two-week spans. Although its reviews and events listings often focus on the cultural life of New York City, The New Yorker has a wide audience outside of New York. It is well known for its commentaries(n. 评论) on popular culture and eccentric Americana[美国(或美洲)文献]; its attention to modern fiction by the inclusion of short stories and literary reviews; its rigorous fact-checking and copyediting(n. 校对); its journalism about world politics and social issues; and its famous, single-panel cartoons sprinkled throughout each issue.

Phoebe: What if I had **taken that job** at *Merrill Lynch*?

Merrill Lynch :菲比则想起了她的按摩顾客曾经提议让她加入美林证券公司公司(Merrill Lynch) '这是全世界知名的证券公司和投资银行, 与高盛公司 (Goldman Sachs & Co.)和 J.P.Morgan 并称为世界三大投资银行 °菲比如果加入了美林 '那可真的就是像她后来在这一集里经历的一秒钟=几千万上下=了/ Merrill Lynch & Co., Inc., through its subsidiaries and affiliates, provides capital markets services, investment banking and advisory services(n. 咨询机构), wealth management, asset management, insurance, banking and related products and services on a global basis. knack n. 本领 熟练技巧(+for) [eg :He has a knack for making furniture]

Rachel: Well why didn't you **take the job**?

rhymed adj. 压韵的/lox: Smoked salmon n. 熏鲑鱼

Chandler: Yeah, you don't want that in a broker.

broker n. 股票(或证券)经纪人(=stockbroker)

Ross: Hey, do you guys think that if all those things happened, we─d still hang out?

Opening Credits

{Transcriber's note: This is where the opening credits are, but they're not the usual opening credits. **Oh no!** These credits are based on the world that would have been created **had** all of the above actually **happened**. It **starts out with** all of them **at the fountain** sitting on the couch as Fat Monica runs up and sits on the arm of the couch, **tilting** the whole thing **towards** her. It then goes on to show Rachel's still a shop-aholic and with Barry. Fat Monica is sweating while cooking and dancing while eating a donut. Phoebe as the Wall Street shark smoking while on two cell phones. Then they're dancing in the fountain. Joey entering as Dr. Drake Remoray and meeting a groupie. Chandler trying to write as a bird **does its business on** his shoulder and falling asleep while typing. Ross doing some kara-tay and trying to get Carol into bed. And finally, some more dancing in the fountain, then all flexing, and then turning out the lamp and shutting off all the lights bit from the first season. Just remember one thing, this is an **alternate universe**. Everything from every other episode doesn't apply, for instance, Ross and Rachel have no history. And in fact have not seen each other in years in this world.}

Archie Comic 钱德勒后来接到了退稿信'信中编辑还嘲讽他说:你的稿子是很有趣'但只是《阿奇漫画(Archie Comic)》那种有趣。《阿奇漫画》是美国的一个著名漫画'后来也出了同名的漫画集子'但其地位显然不能和《纽约客》相提并论。但后来钱德勒终于得以在《阿奇漫画》发表了一篇稿子/Archie Comics is an American comic book publisher known for its many series featuring the fictional teenage Archie Andrews, Betty Cooper, Veronica Lodge, Reggie Mantle and Forsythe "Jughead" Jones characters created by Bob Montana. All characters were based on people he knew in Haverhill,

Goldwater hoped to appeal to fans of the Andy Hardy movies starring Mickey Rooney. Archie Comics is also the title of the company's longest running publication, the first issue appearing with a cover date of Winter 1942. Starting with issue #114 the title was shortened to simply Archie.

Rachel: He's coming over! He's coming over!

Monica: (getting up) Joey!

Joey: (holding a plate of what looks like *Rice Krispie treats*) I know, here-here!! (Hands her the plate.)

Rice Krispie treats are a sweet dessert or snack made from Rice Krispies, melted margarine(n. 人造黄油) or butter, melted marshmallows(n. 果浆软糖 棉花糖), and vanilla(n. 香草). Sometimes marshmallows and/or cereal that is seasonal(adj. 季节性的) is used to make these treats holiday specific. They are often homemade, but one can find them in many stores usually packaged under the Rice Krispies brand. There are many variations to the treat; adding caramel(n. 焦糖) instead of marshmallows, adding condensed milk to the mixture before adding the rice krispies, using corn syrup(n. 玉米糖浆) and peanut butter, adding mandarin oranges(n. 橙子), and others. One variation is to use chocolate instead of marshmallows which is known as "Chocolate Crackles". Kellogg's has now produced commercial varieties(n. 商业品种) of both the marshmallow and chocolate-based treats under the name of "Rice Krispies Squares".

Monica: Ohhh! (Takes the plate.) No! This is my friend Rachel, we went to High School together.
