Paul: You're next!!

Elizabeth: Okay. I didn't know he was here. (Runs over to Rachel.)

Paul: Let me just **see if I got this straight**. I tell you to **stay away from** my daughter or I'll **have you fired**. What you heard was, "Take my daughter, come up to my **country house**, and ruin my weekend with Rachel!"

Ross: Okay, please-please Paul, just let me explain:

Paul: No, let me explain! Fired!!

Ross: All right, fine! Fine! Have me fired! But uh, I want you to know that you and I are not **all that different**. I mean, **I too am** a neat guy. (Paul just looks at him.)

Paul: (panicked) What?

Ross: And I too am just a love machine. (Hums a little bit and mimics Paul's flexing.)

Paul: Ross, let me show you where the guest room is.

Monica: (going over to him) I'm so sorry. Please, stop freaking out.

Chandler: I'm not freaking out. Why would I be freaking out? A woman named Haldi called and said we were getting married, but that happens everyday. (Does one of those Chandler noises.)

Monica: Honey, we were at this beautiful place, and I-I-I just put our names down **for fun**! I mean, **what's the harm in that?**

Chandler: Right here! (Clucks like a chicken for some reason.)

Monica: It was a mistake. Please don't **take this to mean anything**, because it doesn't.

Chandler: Okay.

Monica: Really?

Chandler: Yes, if it really doesn't mean anything, because you know that I'm just not ready :

Monica: I know! I know.

Chandler: Okay. (They hug.)

Monica: I'm gonna go tell Joey that (laughs) that you're back. We were really worried about you. And that guy that never delivered his burrito? He thought there was some sort of connection. (Exits.)

Phoebe: (entering from her room) Hey, did she buy it?

Chandler: Totally.

Phoebe: So did Hildi show you the place?

Phoebe: I can't believe you're gonna ask Monica to marry you!

Chandler: I know.

(They hug.)

Gunther: Do you still work here?

Joey: No! No, I quit a long time ago. (Pause) Did I forget to you tell that? I'm sorry.
