8.14 The One With The Secret Closet

Phoebe is upset after catching Monica for using a different masseuse.

Monica finally agrees to let Phoebe massage her, and really enjoys it.

But Monica's pleasure sounds are too much like sex noises, which makes Phoebe uncomfortable.

Joey dreams of being with Rachel, and continues to struggle with his feelings for her.

Rachel's baby starts kicking for the first time.

Ross is upset about missing pregnancy stuff, so he tells Rachel to page anytime anything happens.

This interrupts Ross's dates with Mona, and even makes him completely forget about her now and then(adv. 有时).

Chandler discovers Monica has a secret closet which is always locked.

When he finally gets it open, he discovers a terrible, messy pile of junk.

Because Ross is missing too much of his child's pregnancy, Joey suggests that Rachel move in with Ross.

Joey: Whoa, Monica runs a pretty tight ship over here. What are you doing?

To run a tight ship 'Run 在这里不是跑的意思,而是指管理 °Ship 就是一艘船 °To run a tight ship 这个俗语是来自以前使用帆船的时候 °那时,一个要求很严的船长往往要他的船员把张帆的绳子拉得紧紧的,这样可以尽量获得风力 °在这种船长的领导下,船上的一切器械都放的井井有条,船员也都知道随时要服从命令 °可是,现在,to run a tight ship 这个俗语已经和船没有直接关系了 °它的意思是:一个公司,政府机构或其他组织的领导人在自己的单位纪律严明 °下面这个例子就是一个负责人在对新来的工人讲他的要求 °"I like to run a tight ship around here. That means that you'd better be here at 8:30 and you don't get off work until 5:30. No coming late or going home early! And you don't take more than 30 minutes for lunch. Do you understand?" 这样纪律森严究竟是好还是坏,这就在于你的观点了 °要是你是一个负责人,你可能对刚才说话的那个老板很钦佩 °但是,要是你是他手下的工人,你肯定对他的严格规章制度不会太高兴的 °有的人懒散成性,很难按照严格的规章制度办事 °但是,像这样的人哪个领导都不欢迎 °下面这个例子就是一个老板在说一个总想偷懒的雇员 °"I'm trying very hard to run a tight ship here, but that guy who was hired two months ago has been late almost every morning and one day took more than two hours for lunch. He has left me with no choice but to fire him." 美国有许多人工作非常勤奋,每天早到晚走是经常的事 °虽然每周有两天休息,但是星期六有些人也到公司去加班 °不过,像上面这个例句里说的那种想偷懒的人也是有的 °这也就是为什么有的人不能长久维持一个工作的原因之一 °

Chandler: Monica has a secret closet and she won't let me see what's in it.

Joey: I don't know. Ooh, I bet it's Richard.

Chandler: What?

It is a tightening of the uterine muscles for one to two minutes and is thought to be an aid to the body in its preparation for birth. Braxton Hicks are named after the English doctor who first described them. In 1872, John Braxton Hicks investigated the latter stages of pregnancy and noted that many women felt contractions without being near birth. It has since been found that Braxton Hicks' contractions are much less noticeable during exercise, whereas real contractions are not. 假性分娩

In 1902, three small firms - S.V. & F.P. Schudder, H.W. Petherbridge, and Young & Smylie - merged to create the National Licorice Company. In 1968, the company dropped the "National Licorice Company" moniker(n. 名字) in favor of the current name. In 1977, the company was acquired by Hershey Foods, which became The Hershey Company in 2005. An overwhelming majority of all Hershey stock is held by a charitable trust funding(n. 公益信托基金) the Milton Hershey School.
